

Calling a Dinghy Park Work Party

Saturday 21th April 09:30

The objectives of this work party are to:-

- General clear up of overgrown foliage, removal of weeds, and general tidy up.
- Make good the surface adjacent to the recently installed retaining wall.
- Prepare the park for the summer by moving those craft that are likely to be used to be near the slipway and readily accessible for use.
- Identify those craft and trailers that do not have any house number identification, in preparation for their disposal.
- Clear some of the shingle from the slipway.
- Paint gates.

This request is targeted at boat owners specifically, but anyone who wishes to assist will be very welcome.

Tools could include wheelbarrows, shovels, secateurs, and thick gloves.

Coffee, tea and biscuits will be provided.

I would very much like to discuss what improvements can be made to make the dinghy park more active and attractive.

Many thanks

Barry King-Smith No. 30.
